<tr>
<td>Readings aligned with concept matrices</td>
<td>Grade8 RI.2 Determine a central idea of a text and analyze its development over the course of the text, including its relationship to supporting ideas; provide an objective summary of the text.</td>
<td>Student-generated concept matrices</td>
<td>Grade8 RI.1. Cite the textual evidence that most strongly supports an analysis of what the text says explicitly as well as inferences drawn from the text.</td>
</tr>
<tr>
<td>Opportunity for the student to read, view the concept matrix, and return to the reading to identify key ideas. Alignment of the text with concept matrices makes it possible for simultaneous analyses of information with concept matrix.</td>
<td>Grade8 RI.2. Determine a central idea of a text and analyze its development over the course of the text, including its relationship to supporting ideas; provide an objective summary of the text.</td>
<td>Student must be able to organize ideas and concept and display in logical arrangement. This leads to deep learning of complex text.</td>
<td>Grade8 RI.2. Determine a central idea of a text and analyze its development over the course of the text, including its relationship to supporting ideas; provide an objective summary of the text.</td>
</tr>
<tr>
<td></td>
<td>Grade8. RI.4. Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings; analyze the impact of specific word choices on meaning and tone, including analogies or allusions to other texts.</td>
<td></td>
<td>Grade8. RI.4. Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings; analyze the impact of specific word choices on meaning and tone, including analogies or allusions to other texts.</td>
</tr>
<tr>
<td></td>
<td>Grade8. RI.5. Analyze in detail the structure of a specific paragraph in a text, including the role of particular sentences in developing and refining a key concept.</td>
<td></td>
<td>Grade8. RI.5. Analyze in detail the structure of a specific paragraph in a text, including the role of particular sentences in developing and refining a key concept.</td>
</tr>
<tr>
<td>Interactive activities such as simulated experimentation; dialog with pedagogical agents; observation of data, analysis and data entry on worksheet</td>
<td>Grade8 RI.6. Determine the author’s point of view or purpose in a text and analyze how the author acknowledges and responds to conflicting evidence or viewpoints.</td>
<td>Recall activities for vocabulary</td>
<td>Grade8. RI.4. Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings; analyze the impact of specific word choices on meaning and tone, including analogies or allusions to other texts.</td>
